I am glad to read this post; this is truly a good site. Once again thanks! [insurance adjuster](#)

Oh man I wish there was an insurance button. I wouldn't mind insurance shopping if it were that easy. The trick is getting price comparisons on similar or identical coverage. I think the quality of claim handling is another thing to consider. I would even pay a higher price if I new that my claims would be handled quickly and effectively. www.dyckinsurance.ca
